**PANDUIT™**
Manufacturer of electrical and network connectivity and cable management

**AlphaWire**
Manufacturer of high-quality UL/CSA copper wire, cable, and tubing accessories

**Accuride®**
Manufacturer of Telescopic slides for technical & industrial equipment

**knŭrr technical-furniture.com**
Manufacturer of holistic workspace concepts for Labs & Control Rooms

**RRC power solutions**
Designer of high-quality battery packs, power supplies and battery chargers

**knŭrr Racks & Solutions**
Manufacturer of Enclosures for IT, OT, ATE and electronics. Server, network and specialized racks & solutions

**StayOnline – The Power Cord Manufacturer**
A leader in high-quality power cords and plug adapters

**COAST Custom Cable From AlphaWire**
Manufacturer of high-quality custom cables

**TRIPP·LITE**
Manufacturer of power protection, UPS and rack solutions

**GOMA ELETTRONICA SpA**
Manufacturer of embedded computing & integrated systems

**EyeCap INTERNATIONAL**
Provides the first line of defense for fire prevention for cable lugs and terminals

**RUFFY CONTROLS, INC.**
Manufacture of world class precision Joysticks

**Raritan® A brand of legrand**
A global leader of power distribution units, ATS/STS and KVM-over-IP solutions

**VERTIV™**
Designs, builds and services mission critical technologies such AC and DC power, UPS, Thermal Management, and Modular Datacenters

**Liebert.**
Manufacturer of precision cooling and thermal management systems

**ALEXANDER SCHNEIDER USA**
Supply chain solutions for components and systems

**STARLINE TRACK BUSWAY**
Manufacturer of flexible power distribution systems

**legrand®**
Specialist in electrical and digital building infrastructures

**Server Technology Quality Rack Power Solutions**
Provider of high quality rackmount power distribution units (PDUs) and monitoring solutions

**ALPHA CONNECT**
Manufacturer of end-to-end connectivity solutions for Industrial Automation

**serverLIFT®**
Provider of data center lifts and server relocation equipment

**SUBZERO**
Manufacturer of airflow containment systems for the information technology industry

**STI FIRESTOP**
Manufacturer of innovative fire protection systems

**motivair™ COOLING SOLUTIONS**
Manufacturer of high efficiency cooling systems

**ecoGen™ From AlphaWire**
Manufacturer of eco-friendly, high-performance wire and cable that are 100% recyclable

**accutronics professional battery solutions**
Manufacturer of smart batteries and chargers

**Sunbird**
Data center infrastructure management software (DCIM) for monitoring and operational efficiency

**AVTECH**
Provider of IT & facilities environment monitoring products

**WorkSafe TECHNOLOGIES**
Manufacturer of Seismic isolation products

**PLENAFORM® SYSTEMS KEEPING DATA CENTERS SIMPLY COOL™**
Manufacturer of flexible and scalable raised floor partition system

**Panasonic**
Provider of Toughbook® rugged laptops and Toughpad® tablets

**PHILIPS**
A global leader in POE LED Lighting for connected buildings

## Our excellence for your peace of mind

We strive to excel in everything we do – products, solutions, services and processes, as well as turnkey projects. Committed to the highest professional standards, we provide our customers with substantial benefits:

> Leading-edge products

> Premium quality

> End-to-end support

> Fast & reliable delivery

> High efficiency

> Faster time-to-market

## Build-to-Spec Services and Multidisciplinary Capabilities

To accelerate OEMs' time-to-market and reduce total cost, Alexander Schneider presents Build-to-Spec systems as part of its advanced professional services.

Our Build-to-Spec systems include multidisciplinary systems that combine our strengths in the Electrical, Mechanical, Connectivity and Thermal Management design. Our applications include:

> Integrated IT cabinets

> Cable harnesses

> Outdoor integrated systems

> Rugged outdoor systems

> Rugged and mobile outdoor systems

> ATE cabinet systems

> Motion and control Boxes

> Power Distribution Units (PDUs)
